Actuarial RoadMap

ACET

Step 1

For IAI exams, clearing ACET is mandatory. For IFoA, no entrance exam is required — you can directly take membership and start main exams.

CORE
PRINCIPLE
SERIES

Step 2

After the entrance exam, the CP series begins — There are total seven exams, you need to clear all seven papers: CM1, CM2, CS1, CS2 and CB1, CB2, CB3.

CORE
PRACTICE
SERIES

Step 3

After completing the Core Principles series, you must clear all three exams (CP1, CP2, CP3) of the Core Practice series.

SPECIALIST &
FELLOWSHIP

Step 4

SP series- In this series you have to clear 2 exams from available options. Finally in Specialised Application series- you must clear 1 exam to qualify as an actuary in chosen field.

Course Structure

Core Principle (CP) Series

Total No. of exams: 7

You need to clear all 7 exams to pass the series.

Dedicated day for discussions and clear your doubts.

Weekly Targets

Provides you weekly targets for smooth and structured learning.

VideoTracking

video-tracking to keep your preparation structured and on schedule.

Direct Faculty Feedback on all Mocks & Tests

Faculty feedback on your tests & mock exams for your improvement.

24 x 7 Technical Support

Get continuous 24/7 technical support throughout your preparation.

For School Students

For Students in class 11th / 12th

- Early start - Smart start.
- No matter whether you are a science or commerce student, you just need an interest in Maths and dedication.
- In Class 11 or 12, start preparing with our PARP to strengthen your basics
- If you have a very strong base and want to start with a tricky exam, start with CM1/CS1.

Some highly recommended combos are :-

PARP + CS1

PARP + CM1

CM1 + CB2

CS1 + CB2

For College Students

For Students preparing with Graduation

- An early start helps you build your professional profile.
- If you took a break after 12th or don't have a strong base in Maths, you can start with our PARP to strengthen your fundamentals.
- There are high chances of getting a job after clearing 3–4 exams.
- The starting package after 3–4 exams: ₹6–10 LPA, and after becoming a qualified actuary it can reach: ₹35–40 LPA (within 5 years).
- We have prepared a complete roadmap to help you clear the maximum number of exams while pursuing your graduation.

UG courses best suited with actuarial science course :-

1st

Economics

2nd

Statistics

3rd

Actuarial Science

4th

Mathematics

5th

Courses involving strong mathematical skills.

For College Students

How to crack 10 exams while doing graduation?

1st
SEM

OPTION 1 - CS1/CM1

OPTION 2 - CS1/CM1 + CB1/CB2

2nd
SEM

OPTION 1 - CS1/CM1

OPTION 2 - CS1/CM1 + CB1/CB2

3rd
SEM

OPTION 1 - CS2/CM2

OPTION 2 - CS2/CM2 + CB1/CB2

4th
SEM

OPTION 1 - CS2/CM2

OPTION 2 - CS2/CM2 + CB1/CB2

5th
SEM

OPTION 1 - CP2 & CP3

OPTION 2 - If any exams left from the first 5 sems

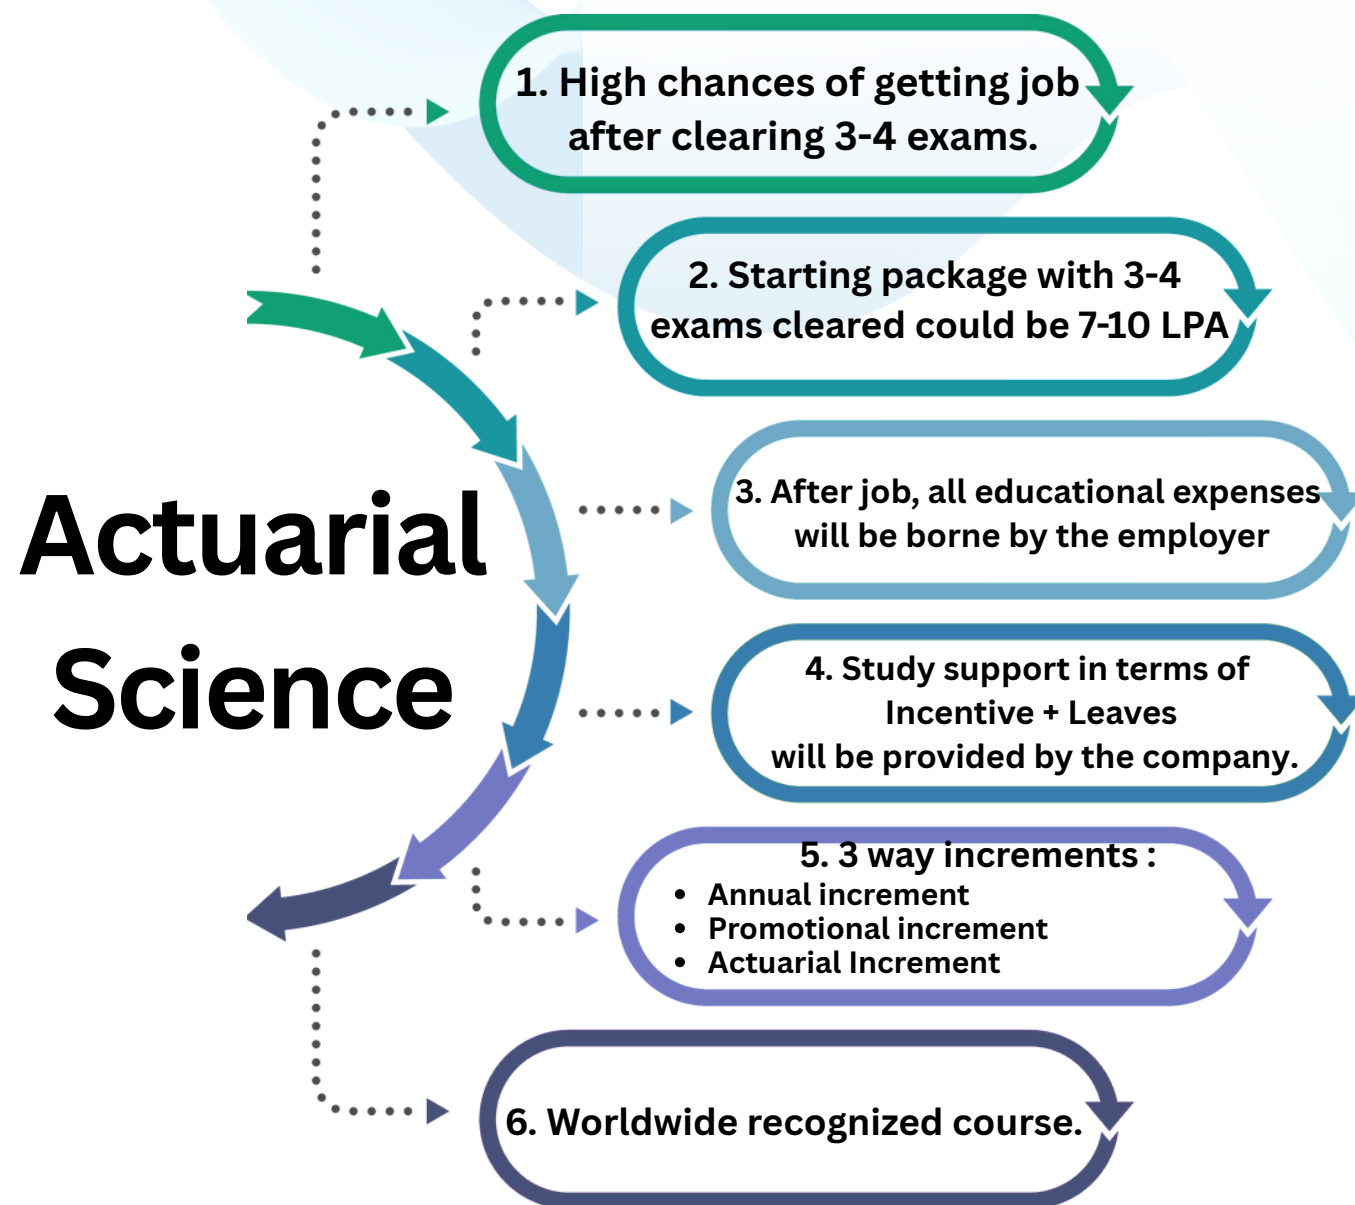

6th
SEM

OPTION 1 - CP1

OPTION 2 - If any exams left from the first 5 sems.

For College Students

Benefits of pursuing Actuarial Science alongside your graduation.

Success Stories

Every Success Has a Story!

Mehak Gupta

I've been studying with **The Academic Junction** about a year, and the experience has been great. The faculty is knowledgeable, approachable, and makes complex concepts easy to understand. The whole team is supportive and truly helps students throughout their actuarial journey. Highly recommended!

I have been studying here since the last 1 year. **This institute has played a significant role** in my actuarial journey. The structure they follow has been extremely beneficial and effective. They follow their targets very timely and leave us with enough time for revision as well. Highly recommended for anyone pursuing A.S.

Gagan Santia

Tanmay Thanawala

I had an excellent experience with **The Academic Junction** while preparing for my SP5 exam. The lectures were incredibly detailed, well - structured, and focused on building a clear understanding of complex concepts. The assignments were thoughtfully designed, reinforcing the key topics and helping me practice exam-level questions effectively.

Great learning experience with TAJ.

I had just one month for SP5 exam and I went ahead with the crash course. The videos were super helpful in clearing my doubts and helped me set a solid foundation to clear the exam from IAI
